Announcement Regarding Nikkei Newspaper Coverage

TOKYO, Japan – May 7, 2009 – An article was published in the May 6 issue of the Nihon Keizai Shimbun (Nikkei Newspaper) stating that ORIX is seeking to receive 100 billion yen in emergency loans from the Development Bank of Japan. However, this is not a substantiated fact.

ORIX has received financing from the Development Bank of Japan within the course of its ordinary funding activities and maintains a close relationship with the DBJ.

ORIX would like to stress that there are no funding concerns.
