DI Asian Industrial Fund L.P. Begins Operation
-Focusing on Promising Vietnamese Companies-

TOKYO, Japan – June 8, 2010 – Dream Incubator Inc. (TSE: 4310; hereinafter DI) and ORIX Corporation (TSE: 8591; NYSE: IX) announced today that DI Asian Industrial Fund L.P., a joint venture between both companies has begun operations. It has an initial capital commitment of 5 billion yen, with 1 billion yen capital commitment by both DI and ORIX.

DI Asian Industrial Fund is a private equity fund that will invest in promising Vietnamese companies. The fund will primarily invest in domestic-focused companies that are essential for growth in Vietnam such as consumable products as well as retail and distribution industries. The fund will also cooperate by providing technological and sales know-how from Japanese companies that have invested in the fund to help increase the value of local companies in which it has invested. DI Asian Industrial Fund will also help Japanese companies to expand their own businesses in Vietnam by providing opportunities to form alliances with promising local companies and supporting their entrance into the local market.

Capitalizing on DI's strategic consulting and venture capital investment abilities and ORIX's fund investment and operating know-how, the fund will provide technology, know-how and networking with Japanese companies to promote mutual cooperation and business expansion of Japanese and Vietnamese companies.

About DI

Dream Incubator, Inc. (TSE: 4310) provides support for venture companies, foreign companies expanding into Japan, and consulting services for large corporations. Dream Incubator also provides consulting services for corporations, such as drafting business strategies, assisting in their implementation, designing organizational structures, and offering consulting services on product development.
