

Seven Welfare Vehicles Donated to Seven Social Welfare Corporations in the Areas Affected by the Kumamoto Earthquake

TOKYO, Japan – December 19, 2016 – ORIX Miyauchi Foundation announced today that it has donated seven welfare vehicles to seven social welfare corporations in Kumamoto prefecture as part of its ongoing efforts to help the recovery from the Kumamoto Earthquake of April 2016. Recipients of the vehicles were selected by the Japanese Society for Disabled Children via the Japanese Welfare Association for Persons with Severe Physical and Intellectual Disabilities and the Japanese Association on Intellectual Disability.

The ORIX Miyauchi Foundation is the successor to the ORIX Social Fund established in April 2006 with the aim of providing ongoing support in fields beyond the scope of corporate activities. This includes social welfare, nurturing of children and youth to be future leaders, and the promotion of music and arts. The ORIX Miyauchi Foundation took over the ORIX Social Fund's activities in December 2010 after receiving approval as a public interest incorporated foundation, and subsequently changed its current name in June 2014.

Donations of welfare vehicles by the ORIX Miyauchi Foundation have continued since fiscal year¹ 2006, with a total of 78 vehicles donated to 77 social welfare corporations nationwide as of the end of fiscal year 2015.

Looking ahead, the ORIX Miyauchi Foundation will continue to engage in activities that contribute to the realization of a truly charitable and prosperous society.
