

## **Private Nursing Home GOOD TIME LIVING Takarazuka-Sakasegawa Scheduled to Open in April 2017**

TOKYO, Japan – January 24, 2017 – ORIX Living Corporation (“ORIX Living”), a subsidiary of ORIX Corporation, announced today that GOOD TIME LIVING Takarazuka-Sakasegawa is scheduled to open in April 2017. This will be ORIX Living’s first private nursing home to open in the city of Takarazuka of Hyogo Prefecture. It will bring the total number of such facilities run by ORIX Living to 28, with a total of 2,326 rooms.

Located in a quiet, green residential district, GOOD TIME LIVING Takarazuka-Sakasegawa is just a four-minute walk (approximately 320 m) from highly accessible Sakasegawa Station on Hankyu Railway’s Imazu Line; approximately 23 minutes from Hankyu Railway’s Umeda Station, and about 24 minutes from Kobe-sannomiya Station (in both cases via express train). Hospitals and retail facilities are also nearby, providing additional convenience for everyday life. As the facility is next to the Iwashizu-jinja Shrine, one of Takarazuka’s most prominent ancient shrines, residents can feel the sense of traditional Japanese culture created by the Shrine.

The interiors of GOOD TIME LIVING Takarazuka-Sakasegawa incorporate the glamorous, elegant image of the famed musical theater that takes its name from the city of Takarazuka, as well as the liveliness and sense of nostalgia that are distinctive elements of the GOOD TIME LIVING series. Inside, residents can enjoy the services of a beauty salon, while a dedicated Club Salon programs a wide variety of daily activities, assuring residents of a comfortable life. Nursing care services and cooperative relationships with medical institutions offer residents a sense of security, and for those with dementia or who require skilled nursing, a special care floor with dedicated staff on call around the clock is equipped with fall prevention sensors, robotic assist devices and special lifts that store in the wall to ease transfers between bed and bathroom.

Looking ahead, ORIX Living will continue to offer support to residents and their families, creating a new lifestyle for the elderly and satisfying needs that have not been met by currently available services.
