

ORIX Credit and Recruit Partner in Online Loan Business

TOKYO, Japan - March 20, 2019 - ORIX Credit Corporation ("ORIX Credit") announced today that it has entered into an online loan business partnership with Recruit Co., Ltd. ("Recruit"). The two companies launched their "Partners Loan for Small Business Owners, powered by ORIX Credit" service today.

"Partners Loan for Small Business Owners, powered by ORIX Credit" is an invitation-only loan service for small business owners who are members of Hot Pepper Gourmet or Hot Pepper Beauty, both of which are operated by Recruit. The service enables small business owners to carry out all procedures—including applications, borrowings, and repayments—online via a dedicated website. ORIX Credit and Recruit intend to make the service convenient for our customers to use by, for example, providing same-day loans if certain conditions are met^{*1}. Recruit will promote the service to small business owners, while ORIX Credit will be responsible for the business side of the service, including applicant screening and the provision of loans.

ORIX Credit uses the screening knowhow it has cultivated via ORIX VIP Loan Card and other financial services and works together with companies in various industries that have many members to provide private loans. Going forward, ORIX Credit will continue to develop more convenient loan services and make efforts in providing better products and services from a customer-oriented perspective.

^{*1} Depending on the time of application and the screening conditions, the results of the screening may be decided on the following working day or later. Applicants who complete the contract consent procedures by 14:30 on a weekday are eligible to have the loan deposited into their account on the same day.
