ORIX Hotel Management established and published its Sustainability Promotion Policy, with the key themes of Transition to Carbon-Free, Environmental Considerations, Safety, Security, and Comfort, and Coexistence with Regional Communities in December 2021. To reduce food loss, ORIX Hotel Management is promoting the procurement of food ingredients without waste, the serving of buffet dishes that correspond to the required quantity, and the recycling of discarded food with the aim of achieving a recycling rate of 50%* by FY2024. The posters and POPs displayed in this campaign are intended to educate customers and encourage them to help reduce overserving and leftovers with the catchphrase, "Start by planning the 'right amount for a full belly' with a tasty strategy meeting."

ORIX Hotel Management will continue to contribute to the realization of a sustainable society.

* [Recycling rate target set forth in the "Basic Policy on Promotion of Recycling Food Circulation Resources" based on the Food Recycling Law published on July 12, 2019 \(Reference: Ministry of Agriculture, Forestry and Fisheries\)](#) (in Japanese)

1. Details of the Campaign

Among the accommodation facilities operated by ORIX Hotel Management, 14 with dining facilities such as restaurants will display posters and POPs to raise awareness of food loss reduction. The POPs will be displayed above the buffet boards in buffet restaurants and only posters will be displayed in non-buffet restaurants (including guest lounges). ORIX Hotel Management will continue our efforts to reduce food loss with the cooperation of customers.

[Campaign Period] From Sunday, May 1, 2022
