■ About the Future Society Showcase Project

The Future Society Showcase Project is a general term referring to a group of projects that provide experiences to a wide range of participants and visitors from Japan and abroad by utilizing technologies and services that support the theme of the Expo, “Designing Future Society for Our Lives” for the development, operation, exhibition, and events of the Expo site, in the form of “demonstration” that gives a sense of the future beyond 2025 and “implementation” that is suitable for the Expo.
