Notice Regarding Results of the Tender Offer for Shares of I-NET Corp. (Securities Code: 9600)

OFI • 01 Corporation (the “**Offeror**”) decided, on October 2, 2025, to acquire the common shares of I-NET Corp. (listed on the Prime Market of Tokyo Stock Exchange, Inc. (“**Tokyo Stock Exchange**”), Securities Code: 9600, the “**Target Company**”) (the “**Target Company Shares**”) through a tender offer (the “**Tender Offer**”) under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended; the “**Act**”), and had been conducting the Tender Offer since October 3, 2025. The Tender Offer was completed on November 17, 2025, and we are now announcing the results as described below.

1. Overview of the Tender Offer

(1) Name and address of the Tender Offeror

OFI • 01 Corporation
2-4-1, Hamamatsucho, Minato-ku, Tokyo

(2) Name of the Target Company

I-NET Corp.

(3) Type of Share Certificates to be Purchased

Common shares

(4) Number of Share Certificates to be Purchased

Number of shares to be Purchased	Minimum number of shares to be purchased	Maximum number of shares to be purchased
15,257,622 shares	10,171,800 shares	N/A

(Note 1) If the total number of shares tendered in the Tender Offer (the “**Tendered Shares**”) is less than the minimum number of shares to be purchased (10,171,800 shares), the Offeror will not purchase any of the Tendered Shares. If the total number of Tendered Shares is equal to or exceeds the minimum number of shares to be purchased (10,171,800 shares), the Offeror will purchase all of the Tendered Shares. The minimum number of shares to be purchased (the “**Minimum Number of Shares to Be Purchased**”) is 10,171,800 shares, and this number has been calculated as follows: Based on the total

number of issued shares of the Target as of June 30, 2025 (15,475,524 shares), as stated in “Briefing on Financial Results for the First Quarter of the Fiscal Year Ending March 2026 Japanese GAAP (Consolidated)” (the “**Target Company’s Q1 Financial Results Briefing**”) announced by the Target Company as of July 31, 2025, less the number of treasury shares owned by the Target as of the same date (217,902 shares), the number of shares subject to voting rights is 15,257,622 shares. The number of voting rights associated with the Base Number of Shares (152,576 voting rights) is multiplied by two-thirds, resulting in 101,718 voting rights (rounded up to the nearest whole number). Multiplying this by the number of shares constituting one unit (100 shares) yields 10,171,800 shares as the Minimum Number of Shares to Be Purchased.

(Note 2) Since the Offeror has not set a maximum number of shares to be purchased in the Tender Offer, the number of shares to be purchased represents the maximum number of Target Company Shares to be acquired by the Offeror in the Tender Offer, which is 15,257,622 shares calculated by the total number of outstanding shares of the Target Company as of June 30, 2025 (15,475,524 shares), as stated in the Target Company’s Q1 Financial Results Briefing” announced by the Target Company minus the number of treasury shares held by the Target Company as of the same date (217,902 shares).

(Note 3) The Tender Offer also applies to fractional units of shares. If the right to request a sale of fractional shares is utilized pursuant to the Companies Act (Act No. 86 of 2005, as amended), the Target Company may purchase such fractional shares during the tender offer period (the “**Tender Offer Period**”) in accordance with applicable legal procedures.

(Note 4) There is no plan to acquire the treasury shares of the Target Company through the Tender Offer.

(5) Tender Offer Period

(i) Tender Offer Period

From Friday, October 3, 2025 to Monday, November 17, 2025 (30 business days)

(ii) Possible extension upon request of the Target Company

Not applicable.

(6) Tender Offer Price

JPY 2,530 per one common share

In the Tender Offer, the Offeror sets the condition that if the total number of Tendered Shares was less than the Minimum Number of Shares to Be Purchased (10,171,800 shares), none of the Tendered Shares would be purchased. As the total number of Tendered Shares (12,907,969 shares) has exceeded the Minimum Number of Shares to Be Purchased (10,171,800 shares), the Offeror will purchase all of the Tendered Shares, as stated in the Tender Offer Commencement Notice and the Tender Offer Registration Statement (including matters amended by the Amendment Statement for the Tender Offer Registration Statement).

(2) Date of Public Notice of the Tender Offer Results and the Name of the Newspaper of Public Notice in which said Public Notice is Published
