- These materials have been prepared by ORIX Corporation (“ORIX” or the “Company”) solely for your information and are subject to change without notice. The information contained in these materials has not been independently verified and its accuracy is not guaranteed. No representations, warranties or undertakings, express or implied, are made as to, and no reliance should be placed on, the accuracy, fairness, or completeness, or correctness of the information or the opinions presented or contained in these materials.
- These materials contain forward-looking statements that reflect the Company’s intent, belief and current expectations about future events and financial results. These statements can be recognized by the use of words such as “expects,” “plans,” “will,” “estimates,” “projects,” “intends,” or words of similar meaning. These forward-looking statements are not guarantees of future performance. They are based on a number of assumptions about the Company’s operations and are subject to risks, uncertainties and other factors beyond the Company’s control. Accordingly, actual results may differ materially from these forward-looking statements. Factors that could cause such differences include, but are not limited to, those described under “Risk Factors” in the Company’s most recent annual report on Form 20-F filed with the U.S. Securities and Exchange Commission and under “Business Risk” of the securities report (*yukashouken houkokusho*) filed with the Director of the Kanto Local Finance Bureau.
- Some of the financial information in these materials is unaudited.
- The Company believes that it will be considered a “passive foreign investment company” for United States Federal income tax purpose in the year to which these consolidated financial results relate and for the foreseeable future by reason of the composition of its assets and the nature of its income. A U.S. holder of the shares or ADSs of the Company is therefore subject to special rules generally intended to eliminate any benefits from the deferral of U.S. Federal income tax that a holder could derive from investing in a foreign corporation that does not distribute all of its earnings on a current basis. Investors should consult their tax advisors with respect to such rules, which are summarized in the Company’s annual report.
- ORIX Life Insurance has completed merger proceeding on its subsidiary Hartford Life Insurance K.K. on July 1, 2015 and is committed to continue serving its policy holders. ORIX Life insurance has no affiliation with The Hartford Financial Services Group, Inc. or its affiliates.
- Nothing in this document shall be considered as an offer to sell or solicitation of an offer to buy any security, commodity or other instrument, including securities issued by the Company or any affiliate thereof.

A large circular graphic on the left side of the page, composed of a thick ring with a color gradient from red at the top to purple at the bottom. The text "Answers, Custom Fit." is centered within the white space of the ring.

Answers, Custom Fit.
