Passive Foreign Investment Company Rules

The Company believes that it will be considered a “passive foreign investment company” for U.S. federal income tax purposes in the year to which these consolidated financial results relate and for the foreseeable future by reason of the composition of its assets and the nature of its income. A U.S. holder of the shares or ADSs of the Company is therefore subject to special rules generally intended to eliminate any benefits from the deferral of U.S. federal income tax that a holder could derive from investing in a foreign corporation that does not distribute all of its earnings on a current basis. Investors should consult their tax advisors with respect to such rules, which are summarized under “UNITED STATES TAXATION” in the Company’s Form 20-F filed with the U.S. Securities and Exchange Commission.

Presentation of Financial Information

The Company’s fiscal year ends on March 31. The fiscal year ended March 31, 2024 is referred to throughout this Integrated Report as “2024.3” and other fiscal years are referred to in a corresponding manner.
