Editorial Policy

In addition to financial information, ORIX Integrated Report 2017 contains other important information on subjects such as ESG (environment, society and governance). This report is intended to help our diverse stakeholders including shareholders and investors to understand ORIX's sustainable growth from a multifaceted perspective. We hope this report provides valuable insight into ORIX's fundamental belief in contributing to the economy and society through its business activities as well as its strategies for continuing to create value over the medium and long term.

Corporate Philosophy

ORIX is constantly anticipating market needs and working to contribute to society by developing leading financial services on a global scale and striving to offer innovative products that create new value for customers.

Management Policy

1. ORIX strives to meet the diverse needs of its customers and to deepen trust by constantly providing superior services.
2. ORIX aims to strengthen its base of operations and achieve sustained growth by integrating its resources to promote synergies amongst different units.
3. ORIX makes efforts to develop a corporate culture that shares a sense of fulfillment and pride by developing personnel resources through corporate programs and promoting professional development.
4. ORIX aims to attain stable medium- and long-term growth in shareholder value by implementing these initiatives.
